

EPCH Invites Members

Recover Export Dues

and settle International Debt Disputes

EPCH has been receiving complaints from its Members Exporters regarding their disputes related to payment of shipments. Members have shared the agony faced due to these disputes with foreign buyers/clients with EPCH. In view of such member concerns, the Council has engaged an **International Debt Recovery Organisation** so that the cases pertaining to debt/lost payments of exporters can be minimized. This international debt recovery agency has been engaged to facilitate resolution of disputes and recovery of money from the concerned overseas buyers. In case a member exporter wishes to avail the services of this international debt recovery agency, he /she has to pay US\$ 10 towards the same. However, in order to facilitate exporters to avail the benefit under this initiative, the Council has initiated free of
